— 100% PHENOLIC LAMINATE —

Talking Over

Dear customer, it's our privilege that you have selected advance laminates for your surface decoration requirement. We have over 350+ options in various finishes for your residential and commercial spaces be it your drawing room, bedroom, kitchen, wardrobe, office or showroom, we have everything for all needs, Utmost care has been provided while manufacturing these laminates because we care for the emotion of person while selecting the designs for their needs. This presentation also has QR codes given with each design if you wish to see the full sheet view of any design. Also we have given an application book that will help you while selection of the designs according to a particular application.

Advance decorative laminate is India's most favorite brand which has been serving the panel trade since 1991. Our manufacturing facility which is spread across 25 acres is located in HAPUR, 30kms east to the national capital, Delhi. The factory is equipped with state of the art machinery majorly imported from Europe. The designs films are sourced from different parts of the globe namely ITALY, KOREA, JAPAN and UNITED STATE. We can truly say we bring the best of the world to India and also push forward the make in India initiative. We have been awarded with ISO 9001:14001 and 45001 certifications where we are committed to comply to world's best standards of quality control, safety of our people and also keeping our environment clean and future safe. We have also been awarded CEMARK, FSC and IGBC which enables us to go about our business while keeping nature protected. we currently have presence on more than 40,000 retail outlets, spread across India, We truly believe in the concept of better than before and consciously strive to improve everything we do.
