ACRYLIC LAMINATE

Presenting our exquisite Acrylic Laminate Collection – where elegance meets performance. Engineered to perfection, each sheet boasts accurate and consistent thickness, ensuring flawless application across furniture and interior surfaces. Designed for durability, this collection features a high-grade anti-scratch surface that resists everyday wear and tear, keeping your spaces looking pristine for years. Its colour fastness technology preserves the richness and vibrancy of each shade, protecting against fading even under prolonged exposure to light. What truly sets this range apart is its super smooth finish that exudes a mirror-like gloss, adding a luxurious touch to modern interiors.

SUGGESTION WITH TERMS AND CONDITIONS

- There will be no guarantee or exchange under any circumstances. Color variations in products from different batches are possible. We recommend using products for same batch to avoid color variations. Do not use plywood with high moisture content. Do not use ply with uneven surface. Use only recommended adhesives. Apply sufficient pressure. We do not recommend pasting of sheets on the sheets on the printed/branding area of the plywood. To avoid de-lamination/air bubbles in between ply & acrylic laminate sheets bonding of acrylic laminate should not be done under high humidity.

LIMITED WARRANTY

No Glue will be used for the Air Release. No Glue will be used for the Air Release.

ADHESIVE SUGGESTION FOR PASTING

Please use recommended glue. Company will not be responsible for any problem caused by using any other glue.

(Company warrants that all its products are free from manufacturing defects and perfectly fit for use under normal conditions. In case of any claims, the liability of the Company is however limited to the cost of the product only.)
